Phaser 4622 Black and White Printer

Power workplace productivity with one
affordable workhorse device.

Xerox® Phaser® 4622 Printer

Print more in less time. The Phaser 4622 meets your productivity challenge at a value price, giving your work group heavy-duty reliable performance – page after page, year after year.

Keep your workplace fast and flexible.

The new Phaser 4622 gives you the speed and flexibility to keep you on task and in control – without sacrificing print quality.

- **Raise the bar on performance.** With print speeds of up to 62 ppm and a monthly duty cycle of 275,000 prints, it's never been easier to keep a productive pace.
- **Fast output.** As few as 7.8 seconds from the time you press start to your first page view.
- **Swift throughput.** The Phaser 4622's Dual core floating point processor makes it possible.
- **Exceptional sharpness and clarity.** With image quality of up to 1200 x 1200, you'll clearly see the difference with every document.
- **Keep the peace.** The Phaser 4622 is engineered for exceptionally quiet operation to minimise the impact on busy offices.

Print your way, every day.

There's a wide variety of print options available with the Phaser 4622.

- **Print on the go.** With native support for Apple Airprint, the Phaser 4622 gives you access to the most widely used mobile print tool.
- **Easy does it.** The simplified front console and automated setup feature enable printing in minutes.
- **Print out of the box.** Print on just about everything from transparencies, to card stock, to envelopes and labels – and more.
- **Flexible paper options.** A 550-sheet capacity main paper tray can easily accommodate paper sizes from 98.6 x 148.5 mm to 216 x 356 mm.
- **Finish strong.** The optional 500-sheet finisher¹ allows you to staple up to 50 sheets automatically.
- **Handle complex documents with ease.** Get standard memory capacity of 256 MB or expand to an optional size of 768 MB to meet your growing needs.

Keep your office lean and green.

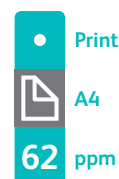

The Phaser 4622 truly delivers an affordable office device that works hard for your office while being just as mindful of the world outside of it.

- **Paper cuts.** Highly efficient, hassle-free two-sided printing can easily cut your paper consumption in half while saving you time and money.
- **Reduce paper costs.** Single sheet, N-up printing lets you group multiple pages on a single sheet, so you cut down on paper usage and cost.
- **Use consumables more efficiently.** Our split consumables mean you replace only what you use – so you get the most out of every user-replaceable component.
- **Drum out waste.** The Phaser 4622's long-life marking drum is engineered for longer life so you replace it far less – reducing toner waste and cost.
